Black

Trail Skin, Trail Short & Trail Skirt; essential tools for every training run or race.

Our pockets offer practical & immediate access. Carry textiles, accessories & all hydration & nutritional needs. On-the-run storage allows you to save precious time & energy.

All offer muscle support while ensuring maximum comfort and fit.

Once on, no annoying tugging or repositioning.

Thermoregulation & heat dissipation is provided through our unique "Skin-Mesh" panels.

The most inspired, functional and anatomically designed Trail specific brand ever developed.
