Unparalleled focus on accessibility, intuitive body gestures & extreme racing conditions are core components of InStinct's inspiration.

[CARRYING&HYDRATION]

1. Optimize storage, accessibility & function with minimal overall body contact.
2. Experience outstanding stability, liberty of movement & instant adjustability.
3. Achieve a lightweight, flexible & ultra breathable solution without sacrificing strength or reliability.

[DESIGN]

The three DNA pillars:

Ergonomics
Perfect fit.
Stability in all conditions.
Unconstrained breathing.
Adjustability on the fly.

Function
Customized storage of equipment, hydration & feed during any distance.
Lightweight & breathable without sacrificing strength or reliability.

Intuition
Optimal positioning of pockets & adjustments for natural, effortless & intuitive access.
